

Emancipation

2015 California Red Wine

WE ARE SO USED TO FOLLOWING TRADITION AND THE NORM. BUT WHAT HAPPENS WHEN WE BREAK THE RULES?
CAN WE SET OURSELVES FREE AND FOLLOW OUR WILDEST DREAMS?

TASTING NOTES

Emancipation, a California produced Rhône varietal blend, challenges the norms and intrigues from the first sip. This wine is smooth, bright and juicy, yet delicate and refined. Bright red cherry on the front of the palate leads to a briary herbaceous quality on the finish. This blend is palate coating, with a long, lingering finish and structure to pair well with rich foods.

Serve with Beef Striploin or Veal Medallions with Truffle Jus.
